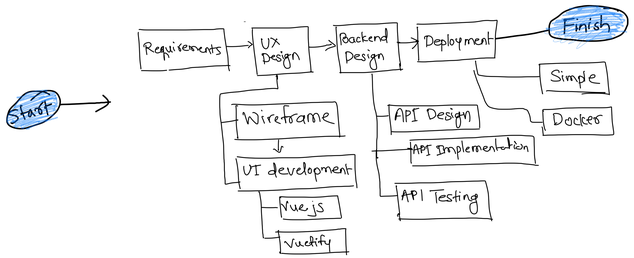
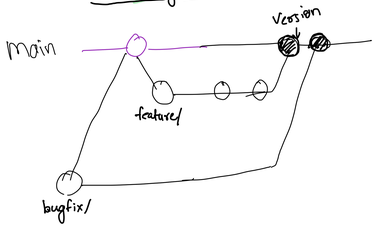
- Comfortable long → Marathi / → Hindi
- Hate Programming
- Preparing for → Industry / → Not for Gam
- Preparing Basics
- Opportunity to work on live project
- Why → What → How
- Requirement Gathering of project
- Collects requirements in specified format
- G-form – Preparation form

Development Process



Branching technique



Stack

Tools
- git
- vs-code
- mongodb

Concepts
- N-tier architecture
- MVC pattern
- Agile

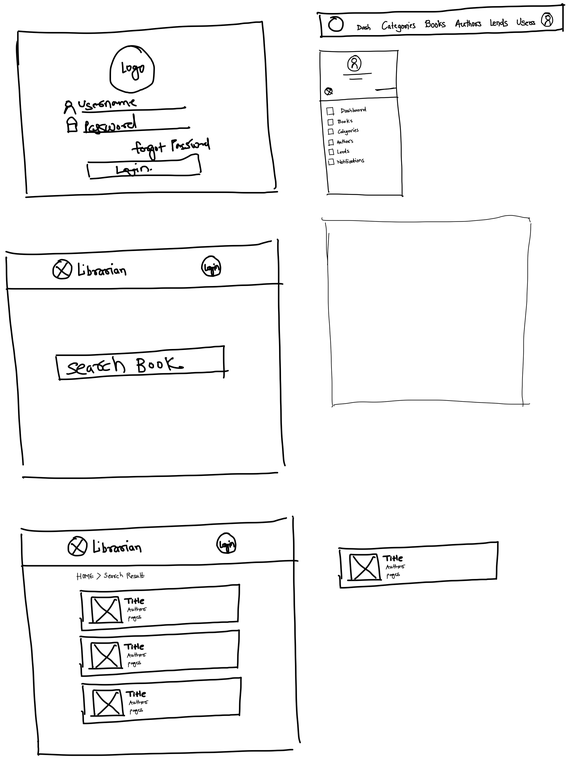
Frontend
- Vuejs
- vuetify
- Css
- third-party library

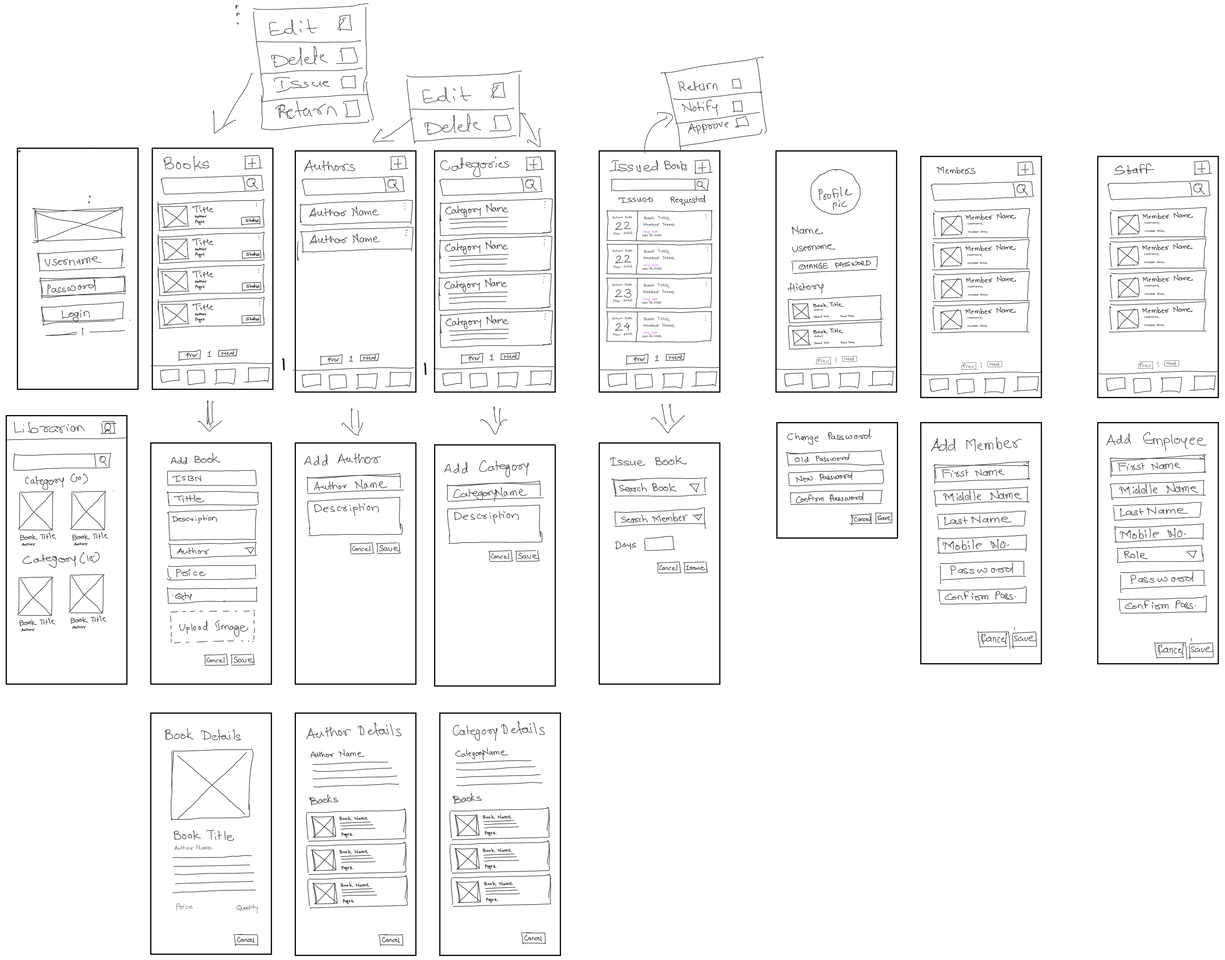
Backend
- nodejs
- expressjs
- Moongoose
- third-party library

Library Management system

- Books
- Author
- User
- Roles
- Shelf

Actions
- Issue
- request
- return

Roles
- Admin
- Librarian
- User




UX for Library
